Live Performance by Haley Fohr

Haley Fohr (of **Circuit Des Yeux**) and Drag City are teaming up to create a unique, fully immersive, sensory-active space in April of 2019 at the prestigious Soccer Club Club gallery in Chicago's Belmont-Cragin District. **Activity Apparatus** features paintings and visual works by **Judith Lindbloom**, **Bill Nace**, **Meghan Remy** & **Emily Winter**, video work by **Kim Alpert**, an audio-interactive **Light Geode** by **Carlson Garcia**, all accompanied by a three-hour composition specially written by **Haley Fohr**.

We hope that the environment curated specifically for **Activity Apparatus** encourages attendees to stay for a long duration of time, allowing the imagination to unfurl toward a reality of relaxation, slow breath, and limitless time. **Activity Apparatus**, the audio/visual experience, will be open and free to the public throughout the month of April.
